STOP! Read this first!

You have just received a "MetroCount Traffic Executive" CD-ROM, the Windows software component of MetroCount's world-leading traffic survey systems.

THIS IS NOT DEMONSTRATION SOFTWARE!

It is MetroCount's *complete* software package, free of any limitations, providing you with unrestricted demonstration use.

Traffic Executive's "MCRReport" module is the power behind MetroCount's traffic survey systems. A very powerful tool, packed with features, MCRReport MAY APPEAR VERY COMPLEX. But rest assured, IT IS VERY EASY TO USE. Once you understand the basics, you will be up and running in no time.

To help you get started, we have a Quick Start Guide for easy reference. But the best way to get to know Traffic Executive is with a FREE personalized software tour.

Quick software tours available. Be our guest.

See how quick and simple our Web demos and sales presentations can be. Guests never install any software, so you connect instantly.
