MTE Advanced Training
2012 Registration Form

Do you want to unlock the power of your MetroCount Vehicle Classifier System and develop a deeper understanding of the MetroCount Traffic Executive Software? Were you unable to attend previous Advanced training courses?

At the **MTE Advanced Training**, you will use computers to explore the MTE software, guided by your trainer.

Register for MetroCount's upcoming training course today by completing this printed form and **faxing to** MetroCount on **9430 6187**.

Course Details

Course runs from **9am to 5pm**, including morning & afternoon tea plus lunch (please advise us of any special dietary needs). Material includes a comprehensive training manual and the latest MetroCount Traffic Executive Software. As you will be using a computer at the **MTE Advanced** course, **experience using the Windows Operating System is essential.**

Course Date & Location
